

W7DP Meeting Minutes July 2, 2024

Meeting called to order by president Timber Burton N7GDE. Introductions of those attending.

A lengthy discussion of repeater networks and noise on our repeater. The noise was thought to be caused by 541/IRLP. W7UPS 145.39 is linked to 145.51 and thought to be causing blocking noise to 146.96 Jason indicated the 203 error cause is unknown. Timber suggests a new controller.

K7LW Lynn presented a a discussion of his repeater network and NW coverage thruhubs/nodes

Specific topics discussed for information..A Watch Duty App showing fire status. New ham Dave Fester KK7UGE. Trailer for a portable EOC. New toilet Tailgate event. Poor lawn condition, Dave will be called by Timber. Next Sunday Jason & ROY will mow the lawn.

Next meeting in August Dan Clark will discuss his ham radio use in South America

Those attending; K7RO, N7ACW, KB7POT, KT&JE, N7DJE, KI7ICB, W7HJL

Submitted Roy Gothberg Secretary
